Com Subtitle Indonesia EngSubIndy SBS In this film a story based on a ghost which was pre-judged by the people who lived in a village area during the reign of the one who was sent out, sometimes the ghost is said to be a spirit that was a culprit, or is a spirit that was killed in a quarrel between members of the household, or is a spirit that was a person who once lived in the house who has haunted people. With its very large body has the shape of a child's body in the hands of a long streamer, but a short body. It is a very beautiful and is a large body. This ghost has come in the form of a little child in a very long strip of cloth and often shrouded in a dark blue shirt. Although this child's face is always hidden, a child who is lost it is not innocent. This film is divided into two parts, this first half is about a very beautiful spirit. It has a big body, its form is like a child's. The second half is the story of the belief that the ghost is in the form of a child in a blue shirt. In the first half, it is shown that the ghost was once a
